

## *Academic Advising*

Advising is a formative aspect of the college experience. It provides students with an academic resource, valuable information about navigating college and post-college life, and advice about academic success. Students at Central Alabama Community College will be assigned advisors who are available to assist students with degree and career planning, course selection, academic policies, transfer requirements, and campus resources. Upon enrollment, a student will be assigned an advisor who will contact the student through e-mail about advising and registration. If a student is not sure how to reach an advisor, they can contact the Office of Enrollment Services at [enrollment\\_services@cacc.edu](mailto:enrollment_services@cacc.edu).
